Michael Finney is the current International President of IBM. He is a past Parlor Magician of the year at the Magic Castle. He was a regular performer on NBC's Worlds Greatest Magicians and Worlds Wildest Magic Shows. He also has his own foundation - the Michael Finney Foundation to benefit firefighters and the Pappas School for homeless children. In eight years, his foundation donated over \$400,000 to his causes, according to Finney's estimate. He stated in a recent interview that he is now also associated with the Gift of Life, a Rotarian group that provides assistance and operations for children with heart problems. He is currently involved with the Wounded Warriors program, having contributed almost a million dollars through his foundation.
