**Present Gene Anderson's Lecture:
"The Book LIVE!"**

Wed, Nov. 8th - 7:00 PM at Mission Oaks Community Center
FREE to members! \$20 admission for non-members

Gene Anderson's *The Book* received stellar reviews when it debuted last year. Teller called it, "A gold mine." Nine years in the writing, each of its twenty-three routines are from Gene's current working repertoire, routined and tightened through many years of live performances for real people. All are described in every tiny detail.

"*The Book LIVE!*" Lecture builds on *The Book* in a rather unique way. After performing each routine, its live verbal explanation is the narration for a projected PowerPoint presentation. The resulting information is presented more succinctly, with more clarity, and more *entertainingly* than you've probably ever seen magic explanations before.

Each routine presented offers multiple lessons, but the Big Overall Take-Home Lesson is how overcoming shortcomings and tiny problems can take *any* published routine to higher ground. Ultimately this will make that chosen effect uniquely your own.

"Gene Anderson has raised the bar for the way all magic lectures should be done. I can honestly say it was the best lecture I have ever seen given." – *Stephen Bargatze*

About Gene Anderson:

Using his joyful enthusiasm and an impish sense of humor, the multi-talented Gene Anderson, who has been a two time nominee for the Academy of Magical Arts Academy Awards, skillfully weaves laughter into each performance with an array of eclectic props. Best known for his torn and restored newspaper, Gene is far more than a one-trick pony, a fact that will be immediately obvious and fully appreciated at his "*The Book LIVE!*" lecture.

In this lecture, you will learn:

- Star of the Show
 - Picto Transpo
 - Nemo Jumbo Card Rise
 - Improving your Routines
 - The Hello Trick
 - Vanishing Match
 - Torn & Restored Newspaper
 - Si Stebbins Card Routine
 - Anderson Die Box Routine
 - Venues and Tables
- ... and more, if time permits

Everything he lectures on is in
The Book, plus a whole lot more.
Special lecture price is \$60 (cash)
or \$65 (credit card).
