The Gimmick

President's Message:

Greetings and Salutations to one and all.

With Covid 19 being the front lines of everything going on at this time, I hope everyone is safe. Here in Yuba City, they have issued a lockdown until April 6. With that being the case, I have not cancelled April Fool Us, but if everyone would like to cancel or move it to an online video format, I don't have any problems with that. Just email me or one of the board members and we can look into some options. If for some reason the lockdown is extended past April, we may have to consider canceling all meetings until further notice or make them all online. Let me know your thoughts and stay safe everyone.

IBM/SAM Magic Video Library

The Magic Video Library is available to all current IBM Ring 192 and SAM Assembly 72 members. It contains an extensive collection of magic DVD lectures, performances and vintage club meetings available for check-out at no cost to the members.

Dick LaVergne, the Librarian, will normally have the Library on hand at most IBM and SAM meetings. It's easy to just check out a DVD and then return it a month later. Take a look and enjoy the magic!!

(If you wish to donate magic lecture VHS or DVD materials to the Library, just see Dick at one of the meetings.)
